Notes: 1) *For the HSGQE, the results are not published when ten or fewer students are tested at a grade level or three or fewer students are reported in an individual cell. For the Benchmark and CAT5 results, asterisks are used for instances where ten or fewer students are tested at a grade level.

2) N/A indicates that a school did not test students in that particular grade for that administration.

3) Percentages reported are based on the total number of students tested, not the number of students enrolled in the grade.
